

# A plastic combo loyalty card made up of a CR80 card and two small cards is convenient to be divided

## Overview

Master + 2 keychain card consists of three parts, a standard loyalty card of normal size 86mm x 54mm and two small keychain cards of 25mm x 54mm, that are separated by two snap-off lines. The master card is exactly same as a loyalty card. The small [plastic keychain cards](#) usually have a barcode or serial number that is same as the master card. As a professional [smart card supplier](#), Shanghai Star Trend provides you plastic combo loyalty cards with the highest quality at reasonable prices.
